

VALKYRIE  
— DRAGONS —

# Sponsorship Opportunities

Valkyrie Dragons empowers women through an inclusive, strength-based community built around the sport of dragon boating. We provide space for women to grow as athletes, build lasting relationships, and represent our community with pride through training, competition, and outreach. With the support of sponsors, we expand opportunities in paddlesports, promote wellness and camaraderie, and inspire the next generation of athletes. Join us as a Valkyrie Dragons sponsor and help propel women forward!

# About Us

**Competition. Strength. Community.**

The Valkyrie Dragons is Rhode Island's first, and only, women's+ dragon boat team. Our members are committed to supporting each other on and off the water, building healthy bodies and minds, learning to compete at their best, and introducing this sport to others.

RECORD  
GROWTH &  
EXPANSION!
